Learning outcomes

Departmental objectives

More than 400 institutions are

**WORKING**

with the DQP

## What types of institutions are using the DQP?

58% public

39% private

2% organizations and groups

< 1% private for-profit

## Institutions are using the DQP at various levels

Associate

30%

Bachelor's

60%

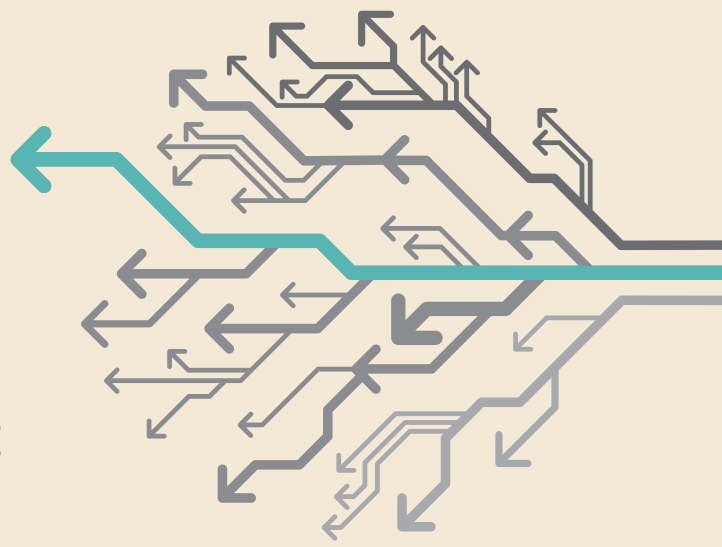

Master's

18%

(several institutions working at multiple levels)

**better INFORMED choices**

The DQP helps students make better-informed choices about which courses to take.

## Making connections

The DQP can strengthen the links between school-based learning and out-of-school learning (e.g., from employment, military service and volunteer activity).
